

40 CAL ARCGUARD REVOLITE LIFT FRONT HOOD

PUREVIEW FACESHIELD: A GREATER RANGE OF VISIBILITY

H65NPQH40LF

Indirect vents offer improved ventilation & communication even when hood lens is down. Removing the hood in order to see, communicate, or work more effectively can leave workers at increased risk of injury. PPE is only effective if it is used properly

Specially designed lens curves in both directions to optimize field of view without distortion and reduces interior reflections

11.2 oz.
RevoLite™

Clear chin cup expands the downward view making it easier to see what you're working on

40 cal/cm²
CAT 4

Streamlined design reduces bulk and weight to improve wearer comfort and reduce the risk of heat stress
