# FR Clothing Options for Expectant Mothers

Our Women's FR clothing is designed to keep all women safe, comfortable, and stylish, including expectant mothers.

## Sizing Suggestions:

We know fit is important, so we offer a wide range of sizes to meet your needs. We suggest going up one size in our FR women's shirts to accommodate a changing body when expecting. Please refer to our sizing charts (available at [www.thinknsa.com](http://www.thinknsa.com)) as needed.

### Women's Maternity FR Work Pants

**PNTUPWM**

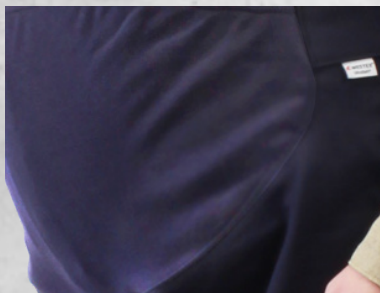

**Arc rating: 12 cal/cm2 | CAT 2**

A blend of 88% cotton and 12% high-tenacity nylon UltraSoft FR garments provide a comfortable smooth feel and reliable protection.

**Sizes: SM-3X**

These maternity work pants include a rib knit panel for extra comfort that will grow with you during your pregnancy.
