**9.1 cal/cm<sup>2</sup>**  
CAT 2

Button-down collar

Patented vent design provides industry-leading comfort

Two front chest pockets with flaps and button closure

Dual certified to protect against flash fire and arc flash hazards

### DRIFIRE DH AIR FR VENTED WORK SHIRT SHRU5TGV

DUAL HAZARD (NFPA 70E/NFPA 2112)  
ARC RATING: 9.1 CAL

Highly breathable and moisture wicking, the DRIFIRE FR work shirt provides comfortable dual hazard protection from both arc flash and flash fire hazards.

The patented vent design actively pumps hot air out as you work. The covered back mesh panel wicks away sweat and increases mobility and flexibility.

**COMPLIANCE:** NFPA 70E, NFPA 2112, CSA Z462, ASTM F1506, OSHA 1910.269

**AVAILABLE COLORS:**  
Khaki (SHRA3TGV) and  
Medium Blue (SHRA2TGV)
