### Selecting the Correct Size:

National Safety Apparel® offers ArcGuard® Rubber Voltage Gloves

in sizes ranging from 8 to 12. To make sure you are ordering the correct glove size, measure the circumference around your palm (see illustration). If you are in between sizes, we recommend ordering the larger size.

### 3 levels of protection:

- **Class 00** - Max Use Voltage 500V AC/750V DC
- **Class 0** - Max Use Voltage 1000V AC/1500V DC
- **Class 2** - Max Use Voltage 17000V AC/25500V DC

| Color  | Size | Class 00   | Class 0   | Class 2   |
