# Features

## Features

- Designed by women for women
- Inherently flame resistant, FR protection will not wash/wear out
- Dual Hazard protection against arc flash and flash fire
- Quickly identify compliance with exterior labeling
- Features OPF, the latest carbon fabric technology
- Lightweight, breathable FR performance fabric
- Unsurpassed moisture-wicking and drying rate
- Tagless neckline for increased comfort
- 3 button placket
- Excellent layering piece for added protection
- Our Women's FR clothing is designed to keep all women safe, comfortable, and stylish, including expectant mothers
- If shopping for maternity work wear, we suggest going up one size in our FR women's shirts to accommodate a changing body when expecting. Please refer to our sizing charts as needed.
- Made in the USA
